

Glacé

The Glacé collection reinterprets traditional hand-crafted ceramics in a refined brick format, celebrating the beauty of subtle imperfections and gently uneven edges. Inspired by drawn brick tiles, delicate variations in the glaze create an authentic artisanal look, while the glossy finish delivers rich visual depth and tactile appeal.

Available in a 75x200mm format, Glacé comes in six natural colours Avio, Bianco, Blu Notte, Mastice, Muschio, and Turchese. Plus a coordinating three-dimensional structure in every shade. Subtle touches of exposed clay and softly irregular edges enhance its handmade, timeworn character, making Glacé ideal for feature walls and splashbacks.
