

Krema

Discover the perfect blend of organic surface texture and soft white tones in our Krema line, available in two timeless colours: the warm, natural Bone and the crisp, clean Cotton. With its light-reflecting finish and flexible sizing, Krema suits a wide range of interior and exterior applications. Offered in both the elegant 62.5x125mm brick format and the versatile 125x125mm square tile—in both Bone and Cotton—this collection evokes a hand-crafted, classic aesthetic. With 18 unique faces, each tile carries subtle variations in tone and surface that enhance its artisanal appeal. The interplay of matte and glossy finishes, combined with Krema's gently uneven texture, creates depth and character in any setting. From kitchens and bathrooms to patios and feature walls, Krema brings warmth and visual interest. Even in smaller spaces like splashbacks or fireplace surrounds, its passive tones deliver a soft yet dramatic effect.
