

Riverwood

The Riverwood Range is inspired by the rich heritage of Mediterranean olive trees, where wood has been shaped by nature for millennia. Each 200x1200mm lath showcases a unique grain and character, bringing warmth, authenticity, and timeless appeal to any space. Designed for both indoor and outdoor applications, Riverwood is available in an In/Out finish, providing a seamless transition between spaces while ensuring durability and slip resistance. Available in six natural tones: Fossil, Limed, Pure, Vintage, Eiger and Mocca, this collection offers a versatile palette that complements both modern and rustic aesthetics. With the ability to be laid in multiple patterns, Riverwood allows for creative installations that highlight the organic beauty of the wood grain, making it a perfect choice for residential and commercial environments.
