

Touchstone

The Touchstone collection features the elegance of natural marble and harmonious balance of veining and shading. With its tone-on-tone colour variations and both Polished Matt and External Outdoor finishes, it creates a soft-to-the-touch feel with 3D printing technology which provides the perfect balance between luxury and understated unassuming beauty. Perfect for any floor or wall, this timeless collection will be sure to bring a sense of style to your home for years to come. With two finish versions, you'll have no problem finding the perfect one for your space.
