

Reverso

Reverso is an Italian glazed porcelain tile inspired by the natural beauty of vein-cut travertine. Offering the same elegant appearance as real stone, this range requires no sealing, resists staining, and provides superior durability for modern, easy-living spaces. Suitable for both internal and external floors, including wet areas, Reverso is available in six timeless colourways. The 300×600mm format is offered in Avorio, Beige, Black, Grigio and Silver in an internal finish only, while the White colourway is available in 300×600mm and 450×900mm in internal finish only, and in 600×1200mm with both internal and external finishes.
