

Miyako

The Miyako series was created by collecting handcrafted ceramic pieces and using them as the design foundation for its natural and distinctive textures. The range features six matt colours, each with 88 unique graphic faces, and eight gloss colours with 50 graphic faces, allowing for elegant and authentic environments suited to any interior or exterior style. Available in 50x150 mm and 100x150 mm in matt, and 50x150 mm in gloss, the collection is fully modular, offering exceptional versatility in how it can be laid and adapted across different surfaces. Miyako can be used both as a wall and floor tile. Made from high-quality porcelain, Miyako delivers outstanding durability, hygiene, and long-lasting performance while maintaining the warmth and character of handcrafted ceramic design.
