

# Terracotta

The Terracotta range is a contemporary interpretation of an architectural classic, balancing the warmth of natural clay with refined, modern design. Inspired by traditional craftsmanship, the collection celebrates texture, tone, and material authenticity, delivering surfaces that feel both grounded and sophisticated.

Available in a curated palette of Ice, Siena, Cotto, Sky, Khaki, Cacao, Concrete, and Dark, the range offers versatility across considered interior spaces. Formats include square mosaics, (50 x 50mm, 100 x 100mm chip size on 300 x 300mm sheet), 300 x 300mm, and 600 x 600mm, with the 300 x 300mm, 600 x 600mm, and mosaic formats finished in a soft matt for understated elegance.

A French pattern format in Siena and Cotto is suitable for both internal and external applications, introducing timeless European character and seamless design continuity. Designed for durability and longevity, the Terracotta range is a refined expression of material-led design tactile, timeless, and unmistakably architectural.
